

Alpha & Omega

Issue #35, July 2000

Alpha & Omega is the official zine of the Miller Number Custodian. Published by: Lee A. Kendter, Jr., 1503 Pilgrim Lane, Quakertown, PA 18951. (215) 529-7552 (voice). (215) 529-0303 (fax). Lkendter@netaxs.com

Subs are \$.75 (USA), \$1.00 (Canada), \$1.50 (overseas) per issue. Back issues are available. If interested, please let me know which issues, and I can give you a price to get the copies.

The Miller Number Status is:

The post is getting split in two. One custodian for the E-mail/Internet and one for postal. Postal will be defined as the results are sent out in a printed zine. The new mnc will be Steve Agar address stephen@diplomacy-archive.com Steve will be handling all electronic based games. I have decided to stay on as the mncp. I will be expanding the post. I will now issue numbers for any postal game regardless of the country where the game started. What I need to find out if any overseas posts are filled so that I don't create a conflict with any overseas custodians.

In addition, Steve and I will begin working on getting Internet variants cataloged to help get MNs issued for internet games. Steve has plans to get variants out to a web site, and I want to get the 100+ games I have electronic copies of onto the site.

I am not going to go into a large list of excuses for the extreme lateness of this issue, outside of the fact that my son's major medical problems have taken up a large amount of my time. He is much more stable, and I am finally getting enough energy for other projects again. My part time job has slowed down a lot since Y2K (I am a programmer), which further insures my time will stay free.

I am not sure of my MNC future long term. Short term plans include A&O #36 by me. This will be my first issue in overseas games. I know the U.K. hasn't had numbers issues for years. I still need to find out about the rest of the overseas hobby.

I am looking for large blocks of old zines that dealt with variants. If you have a large block to contribute I would appreciate it. I will pay postage up to \$3.20 without question. If the blocks requires more and you want postage and other costs, please write me with the list of zines and what you want for them.

If anyone wishes to submit articles on variants, I will include them in future issues of A&O.

Abandoned Games

If you know of any games not played for at least a year, please let me know.

Next Issue.

My number one goal was to complete this issue before WBC. Due to my nasty cold from July 25 - 30, I didn't have time to include the following games: 1991Dxm02, 1997Irb32.

They will appear in A&O #36. I am still trying to determine if I missed any games. My floor is still a mess.

NAVB News

No changes at the current time. This is my next project.
